

Sugar Hill Conservation Commission **DRAFT**

Minutes of March 21, 2013

Present: Tim Burger, Margo Connors, Bill Fraser, Kathie Galligan, Eric Jostrom,
Tim Williams

1. **Approved minutes** of November meeting
2. Discussion of **phragmites'** stand in Littleton near Moore Dam Honda. Tim W. waiting to hear back from Littleton Conservation Commission on how they are going to handle the situation He has offered assistance from Sugar Hill CC. Tim will continue to monitor.
3. **Invasive Species Pamphlet:** SHCC interested in distributing information to the community on invasive species. Bill will explore different resources and determine if possible to obtain copies of invasive species pamphlets through the state for local use. Thanks to Bill for emailing CC members two excellent information brochures on invasive species in NH
4. **Conservation Plan:** maps are posted in the hallway of the town building for public input. Suggestion that Forest map be separate from Ridge Lines and View Sheds. All agreed that this would be a good idea. Members will begin to write their individual sections of the plan for April meeting. (Margo discovered that Master Plan will not be ready until end of summer, early fall.)
5. Discussion re **meeting attendance** and potential new members.
6. Tim B. will ask GordieJohnk, principal of Lafayette Regional School, if there is any student interest in **4H Conservation Camp** this summer.
7. **Grafton County Conservation District** to hold their annual meeting at the Sunset Hill House in Sugar Hill on April 2, 2013.
8. Kathie G. will contact ACT to submit an **application form for conservation funds** for the Cooley-Jericho Community Forest (which have already been donated) to have on file.
9. Sugar Hill **Facebook Page** will have section where community members can report sighting's of wildlife.
10. **Thank you to Ron Cole for his service to the town as a SHCC member. We accept his resignation with regret.**
11. **Next meeting: April 18, 2013 @ 7 pm**

Respectfully submitted,
Margo Connors
