

## SELECTMEN'S MEETING – July 1, 2013

Present: Richard Bielefield, John J. Strasser

Guests: Road Agent Douglas Glover

Correspondence was read and acted upon.

### **The Select Board will not meet on July 15, 2013.**

The board signed Timber Tax Warrants.

ROAD AGENT DOUG GLOVER met with the board to update them on water damage to Crane Hill Road on June 29, 2013. Apparently wood plugged the culvert and the water jumped the road and washed away several driveway entrances and also a portion of the recently paved portion of the road. Mr. Glover was able to get the road repaired enough to open and will continue to complete the project this week. There was also a washout on Grandview Road and trees down on Pearl Lake Road due to the wet conditions. Mr. Glover will be using Wes Griffith to fill in over the next two weeks as Mr. Hucksoll is on vacation.

The board reviewed an amended septic plan for Chris and Wendy Thayer on Map 213, Lot 7. Bickford Hill Road.

Mr. Bielefield reviewed the Quintal property on Map 203, Lot 13 in regard to their request for a possible new garage on their property on Streeter Pond Drive. The Select Board cannot issue a permit but the Quintal's can request a variance from the Board of Adjustment.

The horse situation in the cemetery was resolved and a letter submitted to the Cemetery Trustees.

MR. BIELEFIELD made a motion to approve the minutes of June 24, 2013, seconded by MR. STRASSER. The motion passed unanimously.

With no more business and no appointments before the Board, MR. STRASSER made a motion to adjourn; seconded by MR. BIELEFIELD the meeting was adjourned at 6:00 pm. The next regular scheduled meeting will be on Monday July 8, 2013 at the Carolina Crapo Building at 6:00PM.

Respectfully submitted,

Jennifer Gaudette  
Administrative Assistant
