2) KG reported Cushing Bridge trail not useable at present. Bridges out, brush in trail.

She contacted Davis of Ski Hearth Farm and he gave permission to work on the property for trail work.

She contacted Jim Snyder who offered to do the reconstruction of bridges and trail clearing without compensation if SHCC would cover the cost of materials.

We approved this funding from our regular budget pending an estimate of costs.

3) KG and MC reported that Coffin Pond trail still needs signage and a chain to prevent motorized entry. MC will try to arrange these through the town.

4) Tim Burger was nominated in absentia to organize the fall road clean up.
