The board discussed a cemetery issue and will refer it to the Cemetery Trustees who are responsible for enforcement of the rules and regulations.

CHIEF WENTWORTH met with the board for his monthly police department updates.

The board reviewed the highway committee report thank them and the Road Agent for their work on updating the town road status.

BEVERLY and LISSA met with the board to discuss the SHIA project to replace the windows in the Meetinghouse. Two bids have been received and one will need clarification. Mr. Bielefield and Mr. Strasser are in favor of replacing the old windows and bringing them up to date with new vinyl windows. Ms. Connors would like to speak with the Preservation Alliance again.

The board received a complaint from Mr. Kiepert on Center District Road in regard to the Presby Property and what he perceives as a change in use. He believes the new trucking company is a violation of the zoning ordinance. They also felt that the noise coming from the site was a nuisance. There was also a question of whether there was an environmental violation. The board will advise that any environmental issue is handled by the State of NH DES. In addition the board located the original Light Commercial decision from 1987 and there are restrictions on noise before 7:00 AM and after 7:00PM. This is more restrictive and Jennifer will advise Mr. Kiepert and the SHPD of that restriction. The office will also contact NHMA legal office for an opinion on the activity.

The board completed the employee evaluations.

MR. BIELEFIELD made a motion to approve the minutes of June 29, 2015, seconded by MR. STRASSER. The motion passed unanimously.

With no more business and no appointments before the Board, MS. CONNORS made a motion to adjourn; seconded by MR. BIELEFIELD the meeting was adjourned at 7:20 PM. The next regular scheduled meeting will be on Monday July 13, 2015 at the Carolina Crapo Building at 6:00pm.
