Old Business/ New Business

Rob shared that he has been speaking to Mike Hern, Chairman of the Zoning Board in regards to Air B&B's and updating our zoning ordinance to reflect. Rob has sent an email to municipal law to see if they can help with wording on such an ordinance. Rob would like to spend time at the December meeting reviewing our zoning regulations on this topic.

John asked if any member of the Planning Board would be interested in serving as a representative on the North Country Council alongside Carl Martland. He passed around information on this for members to review and noted that the town should ideally have 2 representatives.

John noted that he and Margo have been looking at solar power on a large and small scale and different regulations on this. He stated that the town of Easton just development a plan for regulations for solar on town state and town roads.

With no more business, on a motion made by Jim Keefe, seconded by Arthur Chase the meeting was moved to be adjourned.
