Old Business/New Business

Vice Chairman Thurston announced the NC Council meeting on 6/23 from 9-11:30AM if anyone is interested in attending.

Searle "Skip" Redfield is interested in becoming a member of the Planning Board. John explained what the Planning Board does. Skip will see Jennifer to get copies of the ZBA ordinance and Subdivision Regulations to review.

John discussed the capital improvement plan and noted that this is the responsibility of the Planning Board and we need to get back in the habit of doing this on a yearly basis.

Currently there is nothing in our zoning ordinance that addresses solar panels, outdoor events/activities. Board members were asked to do some research on these and we will discuss at the July meeting.

With no more business on a motion made by Jim Keefe, seconded by Arthur Chase the meeting was adjourned.
