

SELECTMEN'S MEETING – July 16, 2018

Present: Richard Bielefield, Margo Connors
Jennifer Gaudette

Guests: Police Chief Mancini, John Colony, Kevin Lally (via phone)

Correspondence was read and acted upon.

The Select Board will not meet on July 23, 2018.

CHIEF MANCINI advised the board of scheduling changes this week. He also received a complaint from the Kiepert's on Center District Road as did the Select Board in regard to the noise coming from the Presby property and washing of trucks by MBI. The board will follow up with the Town Attorney on the status of their work on this complaint.

The board was notified that the White Mountain Helicopters will get a temporary heliport permit for the fall festival and will look at route changes for the approach.

MS. CONNORS will contact Christine Fillmore in regard to Northern Pass correspondence received this week from her office.

The board approved the sale of the Fire Department 1999 Freightliner Truck to Presby Construction for \$12,500.

KEVIN LALLY called into the board meeting with questions on property that he purchased at 120 Streeter Pond Drive. The house needs to be demolished and the only rebuild would be on the existing footprint plus 20%. There is an old shed he would move off the property line and make into a carport which would make the setback better. The board advised before tear down that he needs a hazardous material testing. He should also notify DES Wetland Bureau prior to the projects start. He also had questions in regard to the vegetation in front of the cottage and the board encouraged him to contact Tim Williams, Sugar Hill Conservation Commission with his questions.

With no more business before the Board, MS. CONNORS made a motion to adjourn; seconded by MR. BIELEFIELD the meeting was adjourned at 6:30 PM. The next regular scheduled meeting will be on Monday July 30, 2018, at the Carolina Crapo Building.

Respectfully submitted
