The board traveled to the property owned by N. Andrew Schuele and Caitlin Schuele on Pearl Lake Road. The Schuele's are concerned with several piles of stumps located approximately 165' from their property side line on property owned by Sam Stephenson. The Schuele's have met with the board as far back as 2015 and are concerned that the piles while being a sight nuisance, may also contain garbage. Ms. Connors as the health officer will reach out to Mr. Stephenson in a letter asking permission to go onto his property and look at the debris. The board will also continue to follow up with the Town's Attorney in regard to the ongoing situation.

The board traveled to Grandview Road to see the work that is being completed after the road washed out during the 2018 storm. The work is being completed with FEMA funds.

The board received a letter from Attorney Aspiras and will ask to have a teleconference next Monday night if he is available.
