MARGO CONNORS reported estimate for sign at end of Coffin Pond trail. \$240.00. Moved \$240.00 be appropriated from regular SHCC annual budget. Approved unanimously.

Also approved small sign (about 8" X 5") to be placed near tree in memory of Kathie Galligan at Coffin Pond parking area

In memory of

Katherine Galligan

Sugar Hill Conservation Commission

Member 2005 to 2017

Same style and color as other Coffin Pond signs. MARGO CONORS to obtain estimate and order sign.

MARGO CONORS to contact Angela McShane Profile school about taking over Coffin Pond clean up.

CATHY STRASSER agreed to begin search for replacements for Bill Fraser to SHCC. She will also review procedures for SHCC approval of wetland permits.

TIM WILLIAMS reported on Streeter Pond dam situation - old dam not functional, water level dependent on beaver dam which has been damaged. No beaver seen recently on pond, no recent beaver activity at beaver dam accounts for steady lowering of pond water level during the summer. TIM WILLIAMS will contact NH Dam Bureau to see what can be done to stabilize water level.
