Minutes of 4/28/2016 accepted unanimously

Coffin Pond Conservation area maintenance and construction:

Unanimously approved that:

Blocked off areas of old illegal roads and parking areas be allowed to grow up to native brush and trees.  
Other areas including the area between rt 18 and the parking area, the area around the (future) sign, and the boat put in area be mowed to regular lawn height.

Voted to approve \$750.00 or less for Coffin Pond Conservation area signage from Timber Cutting fund. Sign will not have any logo for Town. Unanimous vote.

Voted to approve \$ 500.00 or less for materials for foot bridge to be built to connect parking area with trail along Gale River and around Coffin Pond. Funds from Timber fund. Volunteer labor to be used for construction. Unanimous vote.

John Seeley requested site visit to Peterson property 219-21.12] on Hayward Lane to advise on wetlands modification permit. TW and MC will go.

ACT request for SHCC to accept "reversionary easement holder status" in ACT easement on Martland properties on Pearl Lake Road. 218-4 & 5.1

Eric Jostrom requested legal opinion on reversionary easement holder document.

Approved unanimously subject to review of questions about reversionary easement holder responsibilities MC will check on this.

MC informed SHCC that Bill Fraser was going to have to retire from the SHCC.

Adjournment time 8:30 PM
