

Sugar Hill Conservation Commission Minutes 5/15/2014

SHCC present:

Margo Connors

Kathie Galligan

Timothy Williams

ACT: Rebecca Brown

PSU: Rachelle Lyons and two students

Members of the public: Karl Martland and Robert Blechal (Caledonian Record)

Meeting was a public hearing on a proposal to the Sugar Hill Conservation Commission by the Ammonoosuc Conservation Trust:

"Ammonoosuc Watershed Stream Corridor Private Landowner Conservation Feasibility", for a study on the Salmon Hole stream in Sugar Hill and the Ham Branch in Easton and Franconia.

\$5,000.00 funding requested from SHCC out of a total budget of \$48,950.00

ACT and PSU members made a presentation of the proposal and responded to questions and comments from SHCC and the public. In general comments were favorable and no objections to the proposal were raised.

After the presentation SHCC deliberated and approved the funding of \$5,000.

There will be a river conservation fair on the Dow Strip Friday 6/13

The next SHCC meeting is 6/20/2014
