Accepted minutes of Sept 20, 2018 meeting. Unanimous

Discussed proposal by ACT for SHCC to support conservation easement on Lot 27.117, Map 219 (On map dated 2013, 14 April).

Requested clarification from ACT whether such an easement would promote public access from Lupine field area to Sunset Hill House hotel or only access from the north side. Proposed brief meeting with ACT at their convenience to clarify the purpose of the proposed easement .

Margo Connors noted that the Cathy Galligan memorial tree at Coffin Pond has not been replaced by nursery. CATHY STRASSER agreed to work on text for memorial marker.

CHRIS ELLMS reported on work on town forest trails and his investigations as to how these trails might connect with other area recreational trails. He also suggested improvements to town forest that would improve educational value for local schools.

Next Meeting would normally be Nov 15 at 5:30 PM but will schedule to meet with ACT at a time and place of their choosing.
