

## SELECTMEN'S MEETING – July 27, 2015

Present: John Strasser, Richard Bielefield  
Jennifer Gaudette

Guests: Road Agent Doug Glover, Rob Hayward, Nick Davidge

Correspondence was read and acted upon.

ROAD AGENT DOUG GLOVER met with the board to update the road damage from the recent heavy rains. Due to extensive repairs the department will have to change plans on what roads will have paving work this summer. The board discussed failed culverts on private driveways and will follow with letters to land owners. Doug also discussed the change in warranties on new trucks after 2015. He will get some quotes on 2015 trucks and his truck will go to building and grounds as that truck is starting to fail. Doug and the board agreed that getting the new truck earlier would be cost effective for the town.

The Town finally received a rebate check from EVERSOURCE for the light bulbs we purchased for the Meetinghouse.

NICK DAVIDGE met with the board and discussed his project at his home on Lafayette Road. He will be building a new garage and also has his DES permits in place for a swimming pond to be dug on his property.

The board signed building permits for:

Paul and Dana O'Hara	Map 219, Lot 57.2	New Home
Nick Davidge	Map 221, Lot 12	Garage

MS. CONNORS and MR. KEEFE met with the historic preservation architect last Friday and we will have a report upon Margo's return.

With no more business and no appointments before the Board, MR. STRASSER made a motion to adjourn; seconded by MR. BIELEFIELD the meeting was adjourned at 6:10 PM. The next regular scheduled meeting will be on Monday August 3, 2015 at the Carolina Crapo Building at 6:00pm.

Respectfully submitted,

Jennifer P. Gaudette  
Administrative Assistant
