Accepted minutes of April 19 2018 meeting.

Next meeting June 14 2018 5:00 at Coffin pond

Discussed suitable marker for the tree at Coffin Pond parking area planted by SHCC in Kathie Galligan's memory. CHRIS ELLMS will research in-ground markers vs other types and report on costs.

Discussed possible connection of walking trail along Gale river bank to Coffin pond parking area. Two possible routes are via a bridge over the inlet stream (bridge may have to meet NH state requirements) or path parallel to rt 18 but safely away from road. TIM WILLIAMS will investigate and report.

CHARLES WOLCOTT reported bike trail to Profile school has received funding for engineering.

We continued discussion of lot 25 tax map 214, previously owned by Nancy Aldrich. and possibility of funding for adding this parcel to the H.G. Whipple Conservation area. CATHY STRASSER to draft a letter to the Cote family seeking clarification on their preference for disposition of this property in the estate of Nancy Aldrich.

MARGO CONNORS reported on the activities of the energy subcommittee including projects to switch to LED streetlights and possible solar array for town electricity.
