Correspondence was read and acted upon.

- **Town Business Meeting will be held on May 11, 2021 at 6:00pm** at the **Sugar Hill Fire Station**. This will be a regular town meeting (although masks and social distancing will be required) where we will vote on warrant articles 3-18 which includes the 2021 budget. Budget information can be found on the town website www.sugarhillnh.org.

The board will meet with the Moderator Jim Snyder next Monday to review the warrant in preparation for Town Meeting.

The Crane Hill Committee reviewed and came up with the top three candidates for the RFQ. The Town Engineer will be contacting the top candidate.

The Select Board denied two zoning permits for Kevin Lally on Map 203, Lot 18 as both require variances.

The board discussed the process of dropping a speed limit on a town road as requested by a resident. The process involves an engineering study or traffic investigation to determine the proper speed. RSA 265:63, II. DOT recommends that such a study include analysis of the current speed distribution of “free-flowing vehicles.” At this time the board will ask Chief Ho-Sing-Loy to put the speed trailer on the road to slow down traffic.

The board approved a permit for a generator install for:
Tom and Nancy Finch at 70 Streeter Pond Drive, Map 203, Lot 23.

The board is waiting for Chief Clark to review building permits for:
Waitkus – Barn Map 210- Lot 3.22
Foster – Addition Map 210- Lot 8.2

CHIEF MIKE HO-SING-LOY and AMY RASMUSSEN met with the board as the Rasmussen's are concerned with the new radar speed limit signs near their property. Mr. Rasmussen had prepared a written statement which was provided to the board questioning the safety of the radar waves. Mrs. Rasmussen advised the board that the sign was a safety issue with their son. Chief Ho-Sing-Loy stated that the radar waves off the sign will not cause sickness and are not a health issue. In light of the son's safety issue the Chief will work to see if the State will allow the sign to be placed further down the hill. A call has been placed previously to the State and he is awaiting a response. In the meantime, the Chief will disable the sign.

With no more business before the Board, MS. CONNORS made a motion to adjourn, seconded by MR. BIELEFIELD, the meeting was adjourned at 5:45 PM. The next regular scheduled meeting is Monday May 3, 2021 at the Carolina Crapo Building at 5:00 pm. Social distancing and face masks required.

Respectfully submitted,

Jennifer Gaudette
