

Minutes of the Sugar Hill Conservation Commission January 20, 2022

The meeting started at 5:00 and ended at 5:45

In attendance:

Chris Ellms, Judy and Larry Sawyer

Due to a lack of a quorum we decided to use the time to work on the Commissions yearly statement for the town report. Several items were brought up that we felt should be included. It was decided to have LARRY SAWYER write the draft statement and forward it to all the members and after reading their comments present the final draft to everyone. Once approved by the members the statement will be sent to the selectmen.

The meeting was adjourned at 5:45.

Larry Sawyer secretary.
