

Minutes of the Sugar Hill Broadband Committee

Via Zoom 4:30 - 5:30

Attending: Nancy Martland, Doug Evelyn, Jeanne Cummings, Mike Morley, Margo Connors
Carol Miller, consultant

Meeting focused on reviewing the scoring metric for Broadband proposal requests that will be received by the town. The group assigned numeric values to different aspects of the RFP. We hope to get at least three submissions.

Carol reported that New Hampshire Electric COOP was awarded \$50 million in round one of fund distribution by the state. The \$40 million award in round two should be announced by the end of the year.

Next meeting: December 14, 2022 at 5 pm via Zoom.

Respectfully submitted,
Margo Connors
