CHIEF HO-SING-LOY met with the board on police department business. The board reviewed the residents concerns from last meeting and the Chief will implement some of the suggestions and bring out the speed trailer. Chief Ho-Sing-Loy and Jennifer previously attended the cyber security training at PRIMEX and the town plan is almost complete. Corporal Donahue is attending training this week on Thursday and Friday.

MR. BIELEFIELD made a motion to acknowledge and accept the funds awarded by the InvestNH Housing Opportunity Planning Grants in the amount of \$39,439, seconded by MS. CONNORS. The motion passed unanimously.

The board approved the following building requests:
Willing Workers Grandma's Attic June 3, 17th 10:00am – 3:00 pm
Willing Workers Meetinghouse December 8 & 9
Beaulieu Family Meetinghouse September 8
Harman's Cheese – Crapo Lawn 5/26-29 6/2-4, 6/9-11

The board approved the Pot Luck Supper for the July 4th holiday party.

The board heard from Eric Duggs, USDA-NRCS regarding the erosion problem at the DeMayo residence on Easton Road. Jennifer will confirm a date with all parties in June.

The town received a refund of \$4,629.30 from the solar installation that will go to the general fund. This is the amount from when the solar started in December of 2021.

The new Eversource Community Relations contact is Matthew Koehler.

MARGO CONNORS gave an update on Tri Town Transfer Station. The new hauling situation has gone well with good communications with Normandeau Trucking. The boiler at the transfer station is dead, so no heat in the office. Tim still needs a new computer and a better credit card system in place. The rodent problem has been successfully taken care of.
