Correspondence was read and acted upon.

The Broadband Committee will host a meeting on September 20th from 6-7:30 pm at the Sugar Hill Meetinghouse where residents can ask questions of NHEC, Consolidated and Spectrum about the latest services and broadband service.

MARGO CONNORS updated the board on a meeting of the tri town transfer committee. They have had issues with some users of the transfer station verbally abusing the workers. The town of Franconia will notify a user that this behavior is not acceptable. Some of the future needs are scales, an efficient baler and a wastewater oil burner. This would allow them to burn the oil collected that they are currently paying to dispose of. They have solved the internet situation and are in the process of having starlink installed.

The board issued Certificates of Occupancy to Monahan/Brown 309 Hidden Acres Drive and Jen Monsein 261 Ski Pines Club Road.

The board received the 2024 State of NH Education Tax Warrant. Sugar Hill is \$353,310.

The board signed a driveway permit for a reconstructed driveway for David Bell at Map 202, Lot 8, 191 Streeter Pond Drive.

The board signed the cover sheet for the MS-1 which was uploaded on September 14th.

The Bette Davis piano appraisal came in at \$60,000.

The board reviewed the update from the Michie Corporation in regard to the Streeter Pond Bridge replacement over Indian Brook. Looks like an October install.

MS. CONNORS made a motion to approve the minutes of September 11th, 2023 seconded by MR. ELLMS. The motion passed unanimously.

With no more business before the Board, MR. BIELEFIELD made a motion to adjourn, seconded by MS. CONNORS, the meeting was adjourned at 6:00 PM. The next regular scheduled meeting is Monday September 25, 2023, at the Carolina Crapo Building at 5:00 pm.

Respectfully submitted:
