

Minutes of the Sugar Hill Conservation Commission November 20, 2025

In attendance: Claire Von Karls, Jennifer Childs-Roshak, Margo Connors, Judy and Larry Sawyer.

JENNIFER made a motion to accept the minutes for October and CLAIRE seconded the motion. All agreed.

LARRY volunteered to write the yearly report for the Town Report.

We discussed the culvert issue at the Coffin Pond outlet. We will do the repairs next spring.

Approved paying the yearly dues to New Hampshire Association of Conservation Commissions.

Discussed the soil drilling on the access road to the proposed new cell tower. Appeared the drilling was part of the future bridge installation. We will ask the members of the Select Board why the Town wasn't notified as part of the transparency of the project.

We will ask Jennifer Gaudette how much power was generated by the Town solar array.

We have decided to not meet in December unless something comes up. LARRY will notify Jennifer Gaudette.

CLAIRE made a motion to adjourn and JENNIFER seconded the motion. All approved.

Meeting adjourned at 5:30. Next meeting is January 15, 2026.
