

Minutes of the Sugar Hill Conservation Commission March 19, 2026

In attendance: Chris Ellms, Claire Von Karls, Charlie Wolcott, Jennifer Childs-Roshak, Hayley Droppert, Judy and Larry Sawyer.

Guests: Claudia and Richard Hunt, Tim Burbank.

CHRIS made a motion to accept the minutes and Judy seconded. All approved.

We discussed the Split Rock subdivision with our guests. It appears that we need more specific information on the storm water run off, why larger homes and the lack of a written report of the hydrological survey.

LARRY will contact Amy Venezia and schedule a meeting between the Planning Board and the Conservation Commission.

We also ask that as many Commission members as possible attend the next Planning Board meeting on April 1, 2026.

CHRIS and LARRY reported on the situation at Coffin Pond. An inspector found that the outlet dam was compromised and NHDES is planning to drain the pond. The supposed issue has been ongoing for the last few years and previous inspections found nothing to be concerned with. CHRIS will make some calls.

LARRY made a motion to adjourn and JENNIFER seconded the motion. Meeting adjourned at 6:20.

Next meeting is April 16.
