Approval of the Minutes

MOTION: (Kenerson, Sawyer) to approve the minutes from May 14, 2026 as amended.
VOTE: All in favor.

Sexton's Report

- Sunnyside did well in last night's 2" downpour – the new pavement saved the day.
- Suzette has been working 2 days/week and has been a big help to Peter.
- Shed looks great with the fresh paint and the new roof is scheduled for late June.
- Littleton Monument will repair 6 or 7 stones in the next week or so. Peter has identified 4 more that suffered damage over the winter.

  MOTION: (Dickinson, Sawyer) to use the $300 misc. expenses from the 2026 budget, in addition to the money already set aside, to repair the additional headstones if needed.
  VOTE: All in favor.
- Hannah ledgepack: no update yet on working with the town.
- Peter suggests that the committee visit the Hannah Cemetery to discuss potential projects for the future.
- Hannah signage: Peter will connect with Dan Kenerson soon.

Old Business

- Memorial Day: Kathy will send a note of thanks to the VFW. The location of the Honor Guard service has typically been chosen by the Sexton or the cemetery committee. Larry suggested that in the future, we could invite Sugar Hill residents to nominate their Veteran family members' graves for the service location. The logistics of this were discussed by the committee and it was suggested that we could draw a name at random each year from those nominations.
- Grass Family Lot: Kathy received a letter from Pia C. regarding future burials in Lot 184. The committee confirmed that there is space available, with the reminder that monuments should be placed to accommodate others' future burials. The committee discussed the need for more complete Internment Designations from the family.
- DAR letters: Lynn sent two letters supporting the installation of DAR markers for George Howland and Mehitable Cole.

New Business

- Private burials: State law requires the Cemetery Committee to maintain a list of private burials in town. No such list exists as far as we know, so we could put out a request for information in the town newsletter.

Next Meeting: The next meeting is August 13, 2026 at 5:00pm (possibly at Hannah).
NOTE – there will be no meeting July 9th

Adjournment: The meeting was adjourned at 6:15pm.

Respectfully submitted,
Lynn Kenerson, Secretary
