Sexton's Report
- A current lot owner approached Peter to let him know that they will be forfeiting their Right to Inter. They need to send a letter stating their intent and then a refund can be issued.
- The roof work on the hearse shed is scheduled to begin next week.
- The new signs are up at the SD & LH cemeteries. Peter will deliver the old signs to the SH Historical Museum.

Old Business
- Kathy is in the process of drafting a letter to the Grass family re the family lot.
- We have not heard back from Ms. Trombley.
- The DAR celebration was well attended.

New Business
- The trustees noted that a $200 refund for a lot reimbursement is listed as an expense in the current budget accounting. Kathy will ask the Selectmen's office about it.
- Private burials: According to NH RSA 289:5, the trustees are obligated to maintain a list of burials on private property. To our knowledge no such list exists, and the committee discussed how to proceed. To be continued.
- 2027 Budget discussion:
  - Fresh gravel on the older roads at Sunnyside: The committee agreed to use the Capital reserve funds for this in 2028, based on the previous estimate of $12,000.
  - $5,400 Split-rail fencing: Lower Sunnyside entrance is the priority (36 sections) and part of Hannah (38 sections). We have 20 sections on hand. Current price is $70/section. Lifespan is > 15 years. The fencing contractor could do the installation in 2 days at $800/day.
  - $3,400 Cleaning/straightening/repairing monuments
  - $225 Veteran flags/holders – 70 new ones in storage. We need 50 new ones and they are about $1.50 each. We also need to purchase 2 Odd Fellow flag holders.
  - $200 – historic district signage for SD
  - $800 – equipment rental
